DO NOT USE

ABRASIVE PRODUCTS SUCH AS SCOURING PADS OR STEEL WOOL to avoid defacement

DO NOT

SPRAY DIRECTLY ONTO THE PRODUCT can damage the surface

+ TIPS

To best prevent germ-transmission, frequently clean and disinfect all door hardware. To prevent contact, leave interior doors open unless it poses a security risk.

Additionally, to avoid the spread of COVID-19, as recommended by the World Health Organization, wash your hands frequently, wear a protective face mask in public, and practice social distancing.
